

Big South Fork National River & Recreation Area

## Working with Kentucky

### By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

4 national parks

1,797,894 visitors to national parks (in 2010)

\$76,593,000 economic benefit from national park tourism (in 2009)

3,296 National Register of Historic Places listings

\$331,808,718 of historic rehabilitation projects stimulated by tax incentives (since 1995)

63,704 hours donated by volunteers (in 2010)

7 National Natural Landmarks

30 National Historic Landmarks

\$58,728,074 in Land & Water Conservation Fund grants (since 1965)

7,498 federal acres transferred for local parks and recreation (since 1948)

\$34,033,765 in historic preservation grants

24 community conservation and recreation projects (since 1987)

1 World Heritage Sites

400 historic places documented by the National Park Service

1,267,374 objects in national park museum collections
